

AIKI GROUP STANDARDS

ALWAYS OBTAIN CUSTOMER SATISFACTION

Quality Policy

-Maintain Quality Standards And Obtain Higher Confidence From Our Customers

(1) Requires Every Associate To Work Together As A Team Towards Achieving Quality Targets And Challenge Continuous Improvement

(2) Create A Safe Working Environment And Develop A World Class Manufacturing Facility

(3) Follow Company Rules And Regulations

Our Promise

The Next Process Is Our Customer

Confirming And Assuring Your Own Process Is The Key For Creating Quality Products

Follow The Standards And Rules Of Each Process To Catch And Contain Nonconforming Parts Within The Process And Avoid Sending Nonconforming Parts To The Next Production Process Or Customer
